Description

Studying to civil engineer in Computer Science fulltime. Always open for taking in new knowledge and explore different career opportunities. I have coding as a big interest and try to learn new things all the time and also develop as a person. During my freetime I also have some coding projects that I enjoy working with.

Education

- 2018 - Now

Master Degree in Computer Science
Umeå University
Currently in the fourth year
- 2014 - 2017

Upper Secondary Degree of Technology
Härnosand Upper Secondary School
